

Save the Date!

Save the dates for the upcoming Regional Science Consortium Member Events during the 2017-2018 school year:

RSC College and Career Fair **October 12, 2017**

High school students will have the opportunity to visit with college recruiters for information regarding admissions to their universities. The event will also include talks by college faculty on their research, and career professional on what they are looking for in new hires and a typical work day.

Forensic Science Escape Room **December 7, 2017 (High School)** **December 14, 2017 (Middle School)**

Students will use presented information and conduct several scientific experiments to solve a mystery. Teams will work in groups of 4 to compete to be the first to *Escape the Room!*

RSC 13th Annual Research Symposium **November 8-10, 2017**

High School Students will have the opportunity to attend this conference to hear about the type of research being conducted by undergraduate and graduate students, and the potential to get involved with research at RSC member universities.

RSC 2nd Annual Problem Solving Hack-a-Thon **February 15, 2018 (High School)** **February 22, 2018 (Middle School)**

Students will work in teams from multiple schools to solve "*The Challenge*". Students will develop leadership skills and the ability to work in a team while experiencing hands on STEM education. The Challenge will be announced the day of the Hack-a-Thon.
